PFAFF

Perfection starts here.™

AN AIR OF ARTISTRY

Create more inspirational creations than ever before with the help of the PFAFF® *admire*™ air 5000 one-touch air threading overlock machine.

FEATURE AND BENEFITS

Air Threading Loopers

With the PFAFF® *admire*™ air 5000 one-touch air threading overlock, you can effortlessly thread the machine loopers with the push of a lever.

Built-In Needle Threader

Efficiently thread both the right and left position needles with an adjustable, built-in needle threader.

Differential Feed

Adjustable for perfectly even seams, no stretching of the seam or puckering of fine fabrics. Can be used for automatic gathering.

LED Lighting

Illumination of the sewing area for optimal visibility.

Lay-In Tension

For quick and convenient threading.

Adjustable Settings

Adjust stitch length, cutting width, and presser foot pressure for the ideal setting for different fabrics and techniques.

Extra Presser Foot Height

Provides room for several layers or heavy fabrics.

Stitch Safety Lock

Safety lockout prevents the machine from sewing when the front cover is open.

4 / 3 / 2 Thread Sewing

Trim, stitch, overcast, and decorate your unique projects in half the time.
